Looking Back
Life and death.
Be loving enough,
Be strong enough,
Be selfless enough
To build one's life
Around these two forces.
Milý dedo,
There is a muchness in my life, and you
slipped away from my childhood, along
I am so sorry to disappoint you, chris,
for to imitate the "ch" and rolling "r"'s but it
language be a barrier? My tongue is ready
are the invisible force in its creation. Will
Milý dedo:
Labor Day
